What's Going on Downtown?

Renovation: Work has started on the Orriginals north building. This is another Store-front Renovation made possible with CDBG grant funding. Watch the transformation!

Investment Opportunity: There are several buildings for sale downtown including the building currently housing the Jamestown Sun. The prospective owner could occupy or lease a portion of the building while continuing to collect rent from the Jamestown Sun. For details contact Archer Fargo at 701-532-1416

ANATOMY OF A MAIN STREET BUILDING

As we see more and more renovations and peel back the layers of prior remodels, we uncover more of the original architects design. Cast your eyes upward and you'll find many of these classic features in our historic character structures. And now you have a name for them!
